2016

I want to begin by saying congratulations to the Ritual team. P.E.R. Bridget and her Officers went to Indianapolis for our National Ritual competition. They did an outstanding job in representing our Lodge and our State. The team went on Sunday and ended up placing 6th in the Eastern Division. As most of you know they work very hard and put a lot of time and effort to make everyone proud. As one of Bridget's Officer I want to say what an honor it was in competing with her. I think we all had a really good time and got to become very close with everyone. At Nationals we got to see our very own Tom Brown become installed as the Northwest District Deputy to the Grand Lodge. Congratulation, I know you will do a great job.

For the month of September, we have a few things coming up that are worth mentioning. We have the New Jersey State Fair in August, which will have volunteers and tables. Our District members put a lot of time, sweat and effort in getting everything ready for the, quite hot, almost 2 week event. There will be displays set up explaining everything we do as THE premier charitable organization.

We also have our Army of Hope Annual Golf Outing. There is always a good turnout for this event. It is located at the beautiful and challenging Farmstead Golf Course. I personally can attest to the great time we all have there for this wonderful cause. I won't however admit to the score I put up do to the high score, I mean low score. I can't wait to see everyone out there on the course.

Another of our popular events is the Seafood Fest. It is put together by our dedicated PER's and other help. There is always a ton of food to eat and plenty to wash it down with. You can't beat the price and the people in attendance are always a fun crowd to spend time with.

Finally, I am happy to say that we will be having a Membership Picnic on August 23rd, the day after the Seafood Fest. We are encouraging all members who attend to bring a family member or friend. It is a constant challenge and goal to keep our Lodge growing so that we may continue in all the outstanding work we all do here. I truly believe that quality membership is the key to a successful Lodge. I have been told and have said it numerous times. Our Lodge is only as strong as our membership.

Lastly, I would like to announce that while at the Elks National Convention, we received a very prestigious award. PER Bridget Wisher and I accepted the *All American Award* for our Lodge. This is a great honor for a Lodge to accomplish. It takes a lot of hard work and dedication to win this national title. I would like to thank our PER Bridget Wisher, since this all occurred during her term as Exalted Ruler.

Hope you all have a great August during this beautiful summer; God Bless the Lodge, God Bless America, and God Bless our troops.

Exalted Ruler,
Matthew Winnans

RONALD L. HICKS

GRAND EXALTED RULER

2015-2016

‘Community Focus’ will put a ‘face’ on our Lodges

I offer my sincere thanks and appreciation for the faith and trust you have placed in me to serve as your Grand Exalted Ruler. It is indeed my honor and privilege to accept this role and my desire to show that your confidence has not been misplaced. As Nancy and I travel our great country, visit your Lodges, and attend your State Association meetings, we know we will be inspired to hear about your many acts of kindness, charity and brotherly love. It is our hope that we can return the favor by inspiring you to build on those endeavors in order to accomplish even more in the name of Elkdom.

“Elks Pride – Community Focus” is my theme for the year. It speaks to our responsibility to each other and to our obligation to the communities we serve.

“Elks Pride” is the expression of our dignity, joy and self-respect. It begins with each of us and is driven by a positive attitude and a “can-do” spirit, and heightened by the Members around us who share our thoughts, vision and values. Elks Pride helps us to realize our potential, develop healthy relationships within our Lodges, and increases the desire to do more and better for our Members and for the people we serve.

“Community Focus” is the emphasis we place on the concern, commitment and benefit of Elkdom to our communities, and it can be greatly enhanced when supported and promoted through “Elks Pride.” Service to our communities is a responsibility we all share, and it should be a priority for every Lodge. We offer great appeal to those who know who we are and what we do as Elks!

By strengthening our “Community Focus,” we introduce our friends and neighbors to more and more of our good works, share the Pride that comes with being an Elk, and prove ourselves to be a reliable partner for the community. A strong “Community Focus” will draw the community to you, put a “face” on your Lodge, and create awareness and interest in your Lodge and Elkdom. Can everyone say “Membership”?

There are so many ways to develop and promote “Elks Pride and Community Focus.” As Nancy and I visit with you during the year, we look forward to discussing them with you and sharing your ideas. Thanks again for the trust you have placed in us and may God bless you all.

“Elks Care - Elks Share.”

LAKE HOPATCONG ANTLERS LODGE #4

I would like to take this opportunity to say "THANK-YOU" to the members who have cared for the garden this summer ... And you know who you are! The watering and weeding has paid off as we have picked a dozen or so of the cucumbers and enjoyed them in the Friday night dinner salad. Also the cherry tomatoes are beginning to ripen.

A special thank you to the members of Lodge #4 for their help with serving food at the Miracle Run on July 26, 2015.

Just a reminder that the Sussex County Fair runs from July 31st through August 8th. Stop by the ELKS trailer and see the collage of activities that the Antlers have been participating in this year. Don't forget to say "Hi" to Elroy.
